

## Kisoboka Africa is digitizing SCOBAs and breaking barriers to Digital Financial Inclusion

***Our link person in action as she helps leaders of Lwengyenyi SCOBAs digitise their group. Over 70 members of this group will now have all their saving information at the tap of their finger! How exciting!***

When we set to out to digitize the Kisoboka SCOBA groups at the beginning of this year, it seemed a very difficult task that would take long because of the fact that the people we serve live in remote rural areas and most of them lack basic education, however, we have been amazed at the positive response of these members. The groups have quickly adopted our digital platform and we are now at the phase providing technical support to them.

*The secretary of Kyassonko SCOPA group is now able to enter all members saving records in the MOBIS digital platform. This means each member will now have the capacity to track their saving progress using small feature phones and also apply for micro loans.*

## **With support from Kisoboka Africa, our beneficiaries' Small Businesses are improving in their operations**

For close to a year now, we have been carrying business trainings Through our support, Kisoboka Africa has been able to support over 70 businesses in the rural areas where we work. Over 1000 members have been trained in skills like starting businesses, book keeping, marketing among other skills which they are applying in their businesses and creating changes.

Because of this, there is noticeable growth in their business acumen and as a result most of their businesses are now performing better than before. Our team is committed to continue reaching out and supporting them because we believe that business is the best way to solve poverty.

*Some of the SCOBA members in front of their very small businesses most of which are home based*

---

## **In partnership with Home Away from Home, Kisoboka Africa trained refugee girls in Nakivale camp in business skills**

Partnering with **Home Away From Home**, we are implementing an entrepreneurship program for young women in Nakivale Refugee settlement. These

are receiving business trainings and support to launch or improve their existing businesses

## Kisoboka Africa co-sponsored a Girls Tournament in Kiboga district Uganda

We are happy to have been part of the sponsors of the the very successful Kiboga Girls Soccer Tournament organised by Usikate Tama, our wonderful partner social enterprise. It was so exciting seeing over 1000 girls from 50 schools in Kiboga district participate and joyfully play together. This annual tournament aims at gender equality, promoting the education of girls and empowering them to discover their talents.

*Our Team Leader receiving a certificate on behalf of Kisoboka Africa in recognition of our support to Kiboga Girls Tournament*

Through your support , we are breaking barriers to prosperity for the rural ans underserved. Thank you!

## OUR PARTNERS

## We appeal for your support to continue scaling up our work and impacting more lives to rise of poverty
